

VOLUNTEER TO HELP YOUR COMMUNITY

Bring money into the homes of California's working families.

The State Controller's Office wants your help in preparing **free** income tax returns for low to moderate income families and individuals! The State Controller's Office partners with the IRS to serve communities through the Volunteer Income Tax Assistance (VITA) program.

This is a great opportunity for volunteers to:

- **PROVIDE ASSISTANCE TO LOW-INCOME INDIVIDUALS AND FAMILIES**
- **HELP FAMILIES QUALIFY TO RECEIVE THOUSANDS OF DOLLARS IN TAX CREDITS**
- **LEARN HOW TO FILE YOUR OWN TAXES**
- **BECOME AN IRS-CERTIFIED VITA VOLUNTEER TAX PREPARER**

No previous experience necessary!

The State Controller's Office will provide **free orientation, materials, and flexible hours and locations.**
All you have to do is pass an IRS certification exam and **VOLUNTEER** to help your community.
